Program Description

The programs and services of the Teacher Education Department are directed toward the preparation of teachers who are seeking a basic California credential. The MISSION of the CSUB Department of Teacher Education is to prepare educator advocates who are leaders in their communities and invested in developing students as capable and compassionate change-agents.

Basic Preliminary Credential Programs

Multiple Subjects-SB2042 Legislation (Credentials have the English Language Learner Authorization). The Elementary Education program (Multiple Subjects) is designed for individuals who wish to have a teaching career in an elementary school. The Multiple Subjects credential authorizes the holder to teach in a multiple subject or self-contained classroom in the elementary schools.

Single Subject-SB2042 Legislation (Credential have the English Language Learner Authorization). The Secondary Education program (Single Subject) is designed for those individuals who wish to teach at the junior and high school levels.

Time Limits for Coursework

All Credential coursework must be completed within a 7-year period of time. This time limit requirement means that no more than seven (7) years may elapse between the start of the term for the earliest dated course approved for the Plan of Study and the date the application for recommendation of a credential is approved.

Admission Requirements

Admission Requirements for Multiple Subject Programs

A student may begin the Credential Program in the Fall or Spring semester. The mandatory Information and Application session is offered

each semester. Please refer to the program brochure for meeting dates and times. Admission criteria are based on the CSU and CTC guidelines. They include, but are not limited to, the following:

1. CSUB Admission
 - a. A student must be admitted to the University in order to continue with the teacher education credential programs

Multiple Subject Intern Program

This program is designed for candidates who are currently employed in a self-contained, multiple subjects' classroom. After admission to the intern program, candidates enroll in a sequence of coursework designed to enhance their teaching effectiveness. Interns are assigned an Intern Advisor who oversees their academic progress in the program. After admission to the program, a Peer Coach and University Supervisor are assigned to the intern teacher. These individuals provide ongoing support and guidance at the school site. University Supervisors conduct an evaluation of the intern's teaching and provide feedback for growth and improvement. For additional information, please contact the Credentials Office at 661-654-2110.

Integrated Baccalaureate for Excellence in Studies and Teaching (IBEST)

The Integrated Baccalaureate for Excellence in Studies and Teaching, or IBEST, is an integrated program for improving the quality of teacher education for prospective TK-6 teachers. The IBEST program is designed for candidates who have made the decision to teach in grades TK-6 at the beginning of their college career and who are able to commit to full-time enrollment during the day. Candidates will receive both their baccalaureate degree in Liberal Studies and a preliminary multiple subjects credential upon completion of the program. Additional information can be obtained at the Liberal Studies Office, Education Building, Room 102, 661-654-3337.

School of Social Sciences and Education Programs Offered at Antelope Valley

The Teacher Education Department, within the School of Social Sciences and Education at California State University, Bakersfield, offers the following credential programs in the Antelope Valley:

- Intern, Preliminary Multiple Subject Credential with ELL Authorization.
- Intern, Preliminary and Single Subject Credential with ELL Authorization; and
- Intern, Preliminary and Professional Clear Specialist Credential (Mild/Moderate and Moderate/Severe).

Candidates are expected to attend an orientation session at least one-semester prior to applying to a credential program. These sessions are held on the CSUB Bakersfield and Antelope Valley Campuses.
