Program Description

The programs and services of the Teacher Education Department are directed toward the preparation of teachers who are seeking a basic California credential. The MISSION of the CSUB Department of Teacher Education is to prepare educator advocates who are leaders in their communities and invested in developing students as capable and compassionate change-agents.

Basic Preliminary Credential Programs

Multiple Subjects-SB2042 Legislation (Credentials have the English Language Learner Authorization). The Elementary Education program (Multiple Subjects) is designed for individuals who wish to have a teaching career in an elementary school. The Multiple Subjects credential authorizes the holder to teach in a multiple subject or self-contained classroom in the elementary schools.

Single Subject-SB2042 Legislation (Credential have the English Language Learner Authorization). The Secondary Education program (Single Subject) is designed for those individuals who wish to teach at the junior and high school levels.

Time Limits for Coursework

All Credential coursework must be completed within a 7-year period of time. This time limit requirement means that no more than seven (7) years may elapse between the start of the term for the earliest dated course approved for the Plan of Study and the date the application for recommendation of a credential is approved.

Admission Requirements

Admission Requirements for Single Subject Programs

A student may begin the Credential Program in the Fall or Spring semester. The mandatory Information and Application session is offered

each semester. Please refer to the program brochure for meeting dates and times. Admission criteria are based on the CSU and CTC guidelines. They include, but are not limited to, the following:

1. CSUB Admission
 - a. A student must be admitted to the University in order to continue with the teacher education credential programs.
2. Class Level
 - a. Candidates must be senior status (minimum of 135 quarter units/90 semester units) to apply. IBEST (Integrated Baccalaureate for Excellence in Studies and Teaching) students must complete a minimum of 90 quarter units/60 semester units toward a bachelor's degree at the time of application.
3. Grade Point Average (GPA)
 - a. To be considered for regular admission, students must have a 2.75 GPA in the last 90 quarter units/60 semester units.

Single Subject Program

All candidates must complete at least 80% of the subject matter competency in their content area or provide verification of passage of CSET Exam in the appropriate content area (2/3 or 3/4 passage).

Subject matter competence in Single Subject can be achieved in one of two ways:

- **Subject Matter Programs:** In this option, applicants can meet the subject matter requirement if they have completed a Commission approved subject matter program and obtain a signed waiver letter verifying completion of said program.
- **Exam:** In this option, applicants can meet subject matter competence if they have passed all subtests of the CSET in the subject area they wish to obtain a teaching credential. Information about the exam can be found at www.cset.nesinc.com.

Contact bsr_smc@csub.edu for more information.

1. **Fingerprint Clearance**
 - a. A valid Certificate of Clearance or Substitute permit issued by the California Commission on Teacher Credentialing.
2. **Tuberculin Clearance (TB)**
 - a. Current certificate of freedom of tuberculosis.
3. **U. S. Constitution**
 - a. A course covering the U. S. Constitution or exam.
4. **Professional Liability Insurance**

Single Subject Intern Program

Interns are on-the-job trainees who are taking classes as they teach. Intern teaching occurs throughout the program rather than at the end

of the program as in the case of traditional student teaching. Interns receive support from a University Supervisor and peer coach and are required to attend university seminars and professional development activities required by their school district. To participate in the intern program, candidates must have an employment contract with a local school district and meet CSUB's admission and Single Subject program requirements (please see brochure for details).

School of Social Sciences and Education Programs Offered at Antelope Valley

The Teacher Education Department, within the School of Social Sciences and Education at California State University, Bakersfield, offers the following credential programs in the Antelope Valley.

- Intern, Preliminary Multiple Subject Credential with ELL Authorization.
- Intern, Preliminary and Single Subject Credential with ELL Authorization; and
- Intern, Preliminary and Professional Clear Specialist Credential (Mild/Moderate and Moderate/Severe).

Candidates are expected to attend an orientation session at least one-semester prior to applying to a credential program. These sessions are held on the CSUB Bakersfield and Antelope Valley Campuses. Criteria, fees and requirements for admission to the University and admission to School of Social Sciences and Education credential programs are the same as for the main campus. Please refer to individual credential program areas (in this University Catalog) for application information, admission requirements and specific program requirements.

The course sequence for Credential Programs offered at the Antelope Valley Campus is the same as the CSUB main campus for Stage I and Stage II. Candidates must maintain a 3.00 or better GPA in all credential course work to remain in the program. Student teaching placements are arranged by the credential program coordinator for candidates to participate in school districts located in the Antelope Valley.

All application and registration materials, including the Semester Schedule of Classes, may be obtained at the CSUB Antelope Valley Campus, 43090 30th Street West, Lancaster, California, 93536 or phone 661-952-5080.
